Our committee helped fund the college-age trip to Honduras this past December. This trip was very rewarding to the entire group and also to the Hondurans. It is planned to repeat the effort this coming winter. Marcus Cunningham led the group and will do so again this year but is hoping to be able to have Jason Beschinski go also.

In June, Marcus and Arlyne went to the GEM (Global Episcopal Ministry) institute and workshop in Alexandria, Virginia. While there, Marcus co-chaired a workshop on "Youth in Mission" which was

very well received and well attended.

Munster hosted Province V's Mission Workshop Sept. 27 and 28. Speakers were Hugh Majors and Kathryn Schneider (St. Margaret House). Theme of the workshop was Stewardship in Mission.
