Greater Cathedral Chapter

The Greater Cathedral Chapter consists of two clerical and two lay members. They come from four different parishes within the Diocese of Northern Indiana. The Clerical members are the Reverend Canon David Hyndman, St. Augustine's, Gary, and the Reverend Carol Fleming, St. Andrew's by the Lake, Michigan City. The Lay members are Canon Nancy Moody of Gethsemane, Marion and Mr. Fred Heasley from Christ the King, Huntington.

The new Dean, the Very Reverend Martin Yabroff, began his ministry at the Cathedral on November 28, 2004. The Dean has worked to make contact with clergy throughout the diocese as well as other clergy and ministry leaders from different faiths in the South Bend community. The Dean's vision is to bring about an increased visibility of the Cathedral to the community, as well as increasing efforts to searching for the "unchurched" in the community so as to bring them into a closer contact with the Our Lord. The Greater Chapter communicates with the Dean and Cathedral Chapter, and their insight and sharing is extremely valuable to our parish community.
