

Time Line for CDI Project Reports

Congregational Development Project Reports and Learning-Application Teams

There are three projects and two reports you need to make during CDI.

Project One & Report One

- During CDI The action plan for this project is developed during workshop time. You may decide to revise it in the following weeks.
- Winter Implement Project
- By March 1 CD Project Report is due (including the Results & Learnings sections)
-A report is due from each individual to his or her L-A Team and to the trainers.
-Send by e-mail or e-mail attachment
- By March 15 Members of the L-A Team give feedback to each person on the team. Trainers will not offer feedback unless there is a specific reason to do so.

Project Two & Report Two

- By April 15 Send to the L-A Team the action plan for your second project. Use the format provided in the manual.
- By May 1 Feedback from members of the L-A Team on the action plan.
- May -
September Implement Project
- September 15 CD Project Report is due (including the results and learnings sections)
-A report is due from each individual to his or her L-A Team and to the trainers.
-Send by e-mail or e-mail attachment
-All respond with comments and feedback to the reports.

Project Three (with or without Report)

You will prepare this project after the completion of your second year. You can make an appropriate contact with your L-A Team to reflect with you on the project if you want.
