

## Greater Cathedral Chapter

The Greater Cathedral Chapter has been in a state of transition over the past year. With the shift in the diocesan canons in 2001, no new members were elected. Mr. Fred Heasley and The Rev. Glenn Kanestrom continued their second year of a two year term. Fr. Kanestrom left the Chapter in June 2002.

Fred Heasley has worked tirelessly during 2002 with the Cathedral Organ and restoration committee. He continues to provide both experience and perspective in his ministry of shared leadership with the Chapter. He has graciously consented to serve a second term.

The Chapter has elected one clergy and one lay member of the Greater Chapter for a two-year term to start the new cycle. The election of two more persons in 2003 will once again provide a full complement of Greater Chapter members serving staggered two-year terms.

The Greater Chapter continues to provide valuable interaction with our larger diocesan family via experience, expertise and advice. The members of the Cathedral Chapter join in expressing their thanksgiving for the time, effort and energy given by lay and clergy members from our diocesan family.

Respectfully submitted,

The Very Rev. Frederick E. Mann

For the Wardens and Chapter, Episcopal Cathedral of St. James
