The Commission on Ministry (COM) has been meeting on the third Saturday of each month with the exception of April. Bishop Little meets with US once every quarter. In August we had a joint meeting with the Standing Committee, seminarians and postulants and candidates.

During the year we have conducted eight interviews. Four applicants wishing to enter the discernment process and four for postulancy. As of this report we have twelve postulants. We have six seminarians. We have eight people in the discernment process.

We are using The Northern Indiana School of Theology as a program of formation for postulants and candidates. Postulants and candidates also meet periodically for prayer, discussion and instruction in areas of practical ministry through the Deaconal Formation program.

As of this report we have five candidates for the priesthood. Respectfully submitted,

Anne E Donnelly - Chair
