

## Greater Cathedral Chapter

The Greater Cathedral Chapter consists of two clerical and two lay members. They come from four different parishes within the Diocese of Northern Indiana. The Clerical members are The Reverend Canon David Hyndman, St. Augustine's, Gary, and The Reverend Eugene Kohlbecker, Trinity, Michigan City. The Lay members are Canon Nancy Moody of Gethsemane, Marion, and Mr. Fred Heasley from Christ the King, Huntington.

The former Dean, The Very Reverend Frederick Mann, left for a cure in Missouri at the end of 2003. In the intervening months all the chapter members and greater chapter members have been involved in the various and difficult facets of maintaining the church in the midst of an interim ministry. The Greater Chapter is well represented in the election of the new dean.

The wide experience of the lay members and the pastoral concern and support of the clerical members has been of immeasurable value to the rest of the Chapter and to Cathedral Church at large.

Respectfully submitted,
