This year our committee sent Tim Skimina to Houston, Texas for a meeting with Honduras Hope which is a committee being organized by

Bishop Allen to network with the Diocese from the U. S. Our Diocese was given the following deaneries: Atlantida , Cortes, San Pedro Sula. Northern California was given the same deaneries and is supposed to partner with us

In June, Marcus Cunningham and Tim Skimina went to the GEM meeting in Austin, Texas. GEM is also a networking organization to share mission plans and programs.

Our future plans include John Schramm and Tim Skimina going to a meeting in Copan being called by Bishop Allen. This will take place on October 21 - 24. Hopefully, future plans for our Diocese will come out of this.

John Schramm is also in the process of organizing an adult work group to go to San Pedro Sula—he is planning to co-ordinate this with the Hondurans when he is in Copan.

Expenses for the year:

TIM SKIMINA - HONDURAS HOPE 617.44

GEM DUES 800.00

GEM MEETING 1043.27

TIM SKIMINA WILL BE NEXT YEAR'S CHAIRPERSON.
