

WAWASEE EPISCOPAL CENTER 2006

Census for 2006: Episcopal Church Groups-12, Other Church Groups-5, Families-23

Work continues on the center and property. Storms this year took down our power lines from the center. This was the second time that it has happened so we decided to have the lines buried in the ground. The centers well samples of water continue to test normal. Income for the Center was \$34,091.67 expenses \$32,767.12. The income has remained steady these last few years. The seawall is still in need of repair. Remember the Wawasee Episcopal Center in planning your vestry retreats.
