

**CAMP NEW HAPPENINGS**  
An Ecumenical Ministry of the Diocese of Northern Indiana  
A JUBILEE CENTER

Camp New Happenings was founded in 2006 and held its first camp season in 2008 with eight (8) campers and a staff of eight. In July of 2011, thirty-one (31) campers were sponsored with a staff of eighteen (18) with additional volunteers. The campers' residential areas included: East Chicago, Ft. Wayne, Goshen, Mishawaka and South Bend.

The largest number of campers reside in Ft. Wayne. The recruitment in Ft. Wayne is due to the efforts of Doug Brouwer and Micaela Fulk (CNH Board members). Deacon Roberta Ring (Grace, Ft. Wayne) coordinates the transportation of the campers (17).

In addition to male and female counselors, the staff included: two (2) chaplains, one (1) nurse practitioner, one (1) behavior support specialist, one (1) music coordinator/counselor and one (1) arts & crafts coordinator, and, of course the Camp Director, Mose Carter. We were most fortunate to have instrumental music (the auto harp—Eileen Guckengenberger and the bongo drum—Rey Hernandez).

The ethnicity of the staff included Asian, Black, Caucasian and Hispanic. The same ethnicity was true of the campers with the exception of Asian.

The daily itinerary at Camp New Happenings is a replica of any summer camp for children ages 8-11, in that it includes swimming, arts & crafts, Christian Education, sports, hiking, etc., however Camp New Happenings has the “edge” on other camps in that through Christina Nevill (St. Stephens, Hobart) Camp New Happenings is privy to visiting professors from Purdue North Central in the areas of chemistry, math, birds, bugs and astronomy. The presentations by the professors completely captivated the campers.

EACH DAY, ALL DAY is fun at Camp Mack but, in particular, the campers love the TATOO LADY and the ICE CREAM SOCIAL sponsored St. Anne's Warsaw and coordinated by Carol Bianchini. Last but not least was the arrival of five (5) Corevettes arranged by Ralph Clark (St. Augustine's, Gary).

Then comes 11:00 a.m. on Saturday and transportation arrives to take the campers home. It is then that they cry and beg to stay – “just one more day – please Miss Charlotte”. Truly at that time, we know we are “providing for the pre-teen children of prisoners, the opportunity to experience God's gifts of nature, kindness and togetherness, by sharing hopes and dreams within a positive camping experience”.

This year, Camp New Happenings received wide-spread newspaper coverage in the Goshen News, TIMES of Northwest Indiana and the South Bend Tribune. In the South Bend area, this coverage resulted in the recruitment of a staff volunteer and four (4) campers. The Rev. Tina Velthuisen is responsible for the contact at the South Bend Tribune.

We **thank** the people of the Diocese of Northern Indiana for their financial generosity, without which we could not survive. But most of all, we thank Bishop Little for his on-going financial and spiritual support!

The Commission on Ministry (COM) has met five times since the last report, with Bishop Little in attendance at all five meetings. Our November and January meetings were held at St. Anne's, Warsaw and the March, May and July meetings were held at St. David's, Elkhart. The COM has interviewed four persons for entering the ordination discernment process and three persons were admitted into postulancy. Currently we have five persons in the discernment process, seven postulants and 4 candidates.

The annual meeting with the Bishop, Standing Committee, Commission on Ministry, postulants and candidates will have taken place on September 9<sup>th</sup> thru 11<sup>th</sup>.

The Rev. Thomas Haynes was ordained to the diaconate and the priesthood this past year.

The Diaconal Formation program, led by The Rev. Ted Neidlinger, assisted by Archdeacon, the Venerable George Douglas and Father William Forrest OSB meets periodically for the weekend with postulants and candidates. These weekends are for prayer, discussion and introduction into areas of practical ministry. Many distinguished guest lecturers are invited to these meetings.

The current examining chaplains for the Northern Indiana School of Theology (NISoT) are The Rev. Tony Clavier, The Rev. Michael Cover, The Rev. Henry Randolph, The Rev. Canon John Schramm and the Rev. Jim Warnock. They prepare and read exams for the candidates in local formation as well as reading over the GOE's of the seminarians.

As always, my grateful thanks to the Rev. Henry Randolph, Vocations Director, for the mounds of paperwork he is responsible for, dealing with persons entering the discernment process through ordination.

Respectfully submitted,

Anne E. Donnelly, Chair

**Activities:**

We have been quite active in the past year. As you can see from the membership list we have been growing both in numbers and in spirit. There are additional people participating via e-mail and prayers with hopes of attending a meeting in the future. This year marks three firsts – we have eight parishes represented on the committee, the largest membership roster ever and a mission trip blog - <http://companerosencristo.blogspot.com>. We sent out hundreds of e-mails, made many long distance phone calls, attended meetings, raised funds, visited parishes, applied for a grant and went on another mission trip. These are the events from the end of 2010 (not included in our last report) and those planned so far for 2011.

These are the committee activities from before convention 2010 through October 2011.

### **How we spent our money in 2011.**

We spent \$16,952.72 so far in 2011 in combined Companeros en Cristo account funds (\$13,856.48) and donations (\$3,096.24). In addition, the Social Concerns committee donation of \$2,466.88 (a portion of the diocesan MDG commitment) was used to send a girl (daughter of a Honduran priest) to bilingual school. We used \$3,912.28 of the Companeros en Cristo account funds to build stoves, pilas (cisterns) and latrines – continuing the Health Infrastructure Project in Delicias del Norte. We donated discretionary funds to San Lucas and Rev. Barbara Boghetich totaling \$3,811.27. So far, the discretionary funds have been used to repair a home badly damaged in a storm with hurricane force winds, repair and upgrade the water line to the village of Delicias del Norte, send several girls and a boy to school, paint the church of San Lucas, repair the church ceiling and pay for health training for 120 people – 30 people four times over the next year. Seeds and plants were donated to Mike Miller. Mike is a SAMS missionary who is running an orphanage and farm in Honduras. The farm income supports the orphanage with a goal of one third of the expenses coming from the farm income. \$1,887.60 was spent so far to attend mission meetings and \$500 for GEMN dues.

### **Goals for the upcoming year.**

God willing we plan on continuing to support the mission work in Honduras. We applied for a joint UTO grant to house a sewing co-op, but we learned we did not receive the grant. We continue working with missionaries in Virginia to help develop projects to continue the expansion of the women’s sewing co-op. While in Honduras, we made preliminary measurements for a bridge to cross the river running through Delicias del Norte. During rainy weather the river is not passible cutting off about one half of the village until the water recedes. We are evaluating the possibility of a mission trip for late summer or fall of 2012. With other mission groups across the US and Province 9, we are exploring the possibility for an international mission-training event in Honduras in 2013.

We will continue to build on the relationships formed over the fourteen years we have been working in Honduras.

We will continue to promote the Millennium Development Goals as a way to help the poor – especially in Honduras. We discussed with Bishop Allen the need for micro enterprise loans. The national church cut the funding to the Diocese of Honduras by 40%. Each parish will need to start a micro enterprise to pay the clergy and parish expenses. We are exploring grant opportunities to support our mission work - perhaps we will again submit a joint application with the Diocese of Honduras.

Respectfully submitted Tim Skimina...

Fr. Randolph: salary \$20,000, with a \$3,000 Housing Allowance.

Bill Munn moved that these amounts be accepted. Seconded by Kevin Warren, the motion passed unanimously.

## **Millennium Development Goals**

The Bishop reminded the Council that the Episcopal Church supports the Millennium Development Goals which exist to reduce poverty worldwide. The recommended assessment is .07% of the diocesan budget. The Social Outreach Committee recommends appropriate disbursements to the Council. They have recommended that one-half of this year's amount be given to the Diocese of Honduras to apply to their programs that address MDG goals; one-half should be given to Uganda's Bishop Masereka Christian Foundation which serves HIV/AIDS and orphaned children in the Kasese District of western Uganda. David Hyndman so moved, seconded by Lorrie Morris, and passed unanimously.

## **Haiti**

The Bishop noted that the Diocese of Haiti is part of The Episcopal Church, and it is numerically the largest diocese in TEC. Their infrastructure was destroyed in the 2010 earthquake. TEC's House of Bishops has made a commitment to rebuild their cathedral, and has set up a process to that end. The Bishop wants to implement this in Northern Indiana with a campaign to be run from the diocesan office. He will designate a day in late spring or early summer to have a "Haiti Sunday" at which people would be able to "buy-a-brick" for \$10. The goal is to raise \$25,000. Lorrie Morris so moved. Seconded by Janis Ross, the motion passed unanimously.

## **Michigan City Merger**

The Bishop reported Trinity Church, Michigan City, and St. Andrew's-by-the-Lake, Michigan City, have been holding talks anticipating a possible merger. The conversation has been moving forward on several levels. Fr. Matthew Cowden has been appointed to convene a task force of four people from each congregation (including Fr. Andy Hanyzewski) which has been meeting. The Bishop discussed the process, which is ongoing.

## **Bishop's Remarks**

In the Calumet region, St. Paul's Munster, St. Timothy Griffith, and St. Barnabas Gary have all lost their priest. With the diocese short of supply clergy, a cluster ministry is being discussed.

The Holy Land trip, with 35 people, begins on February 22<sup>nd</sup>.

The Bishop noted that the Presiding Bishop will be attending our Diocesan Convention in October, and he discussed the pending arrangements..

The Bishop left to preside at a funeral. Canon Silla assumed the chair in his absence.

### **CDI Relationship to Assessment Reductions**

Canon Silla reviewed the CDI program, its goals and its relation to Council.

### **Council Meeting Attendance**

Jon Adamson discussed the need for consistent attendance by Council members.

The meeting was closed in prayer by Fr. Warnock at 12:04 p.m. The next meeting is scheduled for April 2<sup>nd</sup> at 10:00 a.m. at the diocesan offices.

Mr. Adamson reviewed some of the details of particular parishes.

EPISCOPAL CHURCH WOMEN  
DIOCESE OF NORTHERN INDIANA  
1904-2011

2011 ANNUAL REPORT

The past year has been a year in which we have continued to fulfill our mission, plan for the 2012 Annual Episcopal Church Women's Conference, adapt to changes in the Board's responsibilities and participate in priorities set by the National ECW board.

For the past many, many years, Kathleen Fluhrer (Gethsemane – Marion) has served and served ably as our Treasurer. Although for sometime, Kathleen had indicated a desire to relinquish this responsibility, we chose not to take action on it. However in early spring of this year, we did acquiesce to her request, with regret. Christina Nevill (St. Stephens (Hobart) subsequently willingly accepted the appointment as Treasurer. We thank Kathleen for her many years of service and we thank Christina for accepting this responsibility.

Almost immediately after the above change took place, Kathleen fell and sustained a hip injury requiring surgery and rehab. We might add, that Kathleen has been named the Diocesan ECW's Woman of Distinction and, hopefully she will be able to travel to Indianapolis to the Triennial Meeting and receive this distinction.

On the diocesan level, Dolores Bada (Grace) Chairman of our Memorial & Scholarship Fund announced the following recipients of \$500 each: Kelli Sigrey (St. Anne's, Warsaw) Neuroscience (Indiana University); Sarah Sims (Grace, Ft. Wayne) Social work and Psychology (Ball State); and Eliza Smith (Grace, Ft. Wayne) Child Life Specialist (Ohio University). Also on the Diocesan level we continue to support Camp New Happenings.

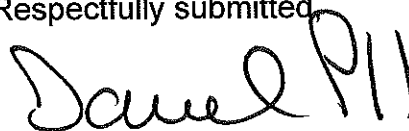

On the level of the wider church, financial support has been given to the Disaster Relief for Japan and Nets for Life.

The major emphasis, work and concentration has and continues to be hosting the **2012 Province V Episcopal Church Women's Conference**. We last hosted this conference in 2000. **The Conference Headquarters will be the Ramada Inn Downtown (South Bend) April 27-29.** The keynote speaker and moderator will be **The Rev. Gary Manning. Conference Theme: Interdependence – Sisters In Spirit Moving Toward Mission.** A Conference website is being developed for registration. Registration has been adapted to accommodate **ANYONE** and **EVERYONE (SINGLE MEALS, SLEEPING ROOMS ETC.)**

## DIOCESEAN FOUNDATION REPORT

Attached is the Financial Report for August 1, 2010 through July 31, 2011. During the August 25, 2010 meeting a loan to St. Michael's & All Angels in the amount of \$5,000.00 was approved. It was anticipated that a grant in the amount of \$5,000.00 would be approved by the CR&D committee also. It was approved and the grant was issued to St. Michael's & All Angels.

Report of the Vocations Director  
The 113<sup>th</sup> Convention of the Diocese of Northern Indiana  
14 & 15 October 2011  
Saint James Cathedral, South Bend IN

The first thing I want to note in this report is my gratitude to Mrs Anne E Donnelly, from Saint Alban's, Fort Wayne, for her able chairmanship of the Commission on Ministry over the past eleven years. With graciousness and care, she has overseen three major revisions of the ordination process guidelines for the Diocese, and provided a model for the task of shepherding aspirants, postulants, and candidates through the canonical maze. Mrs Donnelly has been a joy to work with, and I am grateful for her support and encouragement for all of us who work together on the Commission on Ministry. All this is evidence of her love of the Lord Jesus Christ and her commitment to the Church. It should be noted also that, at each meeting of the Commission, she successfully leaps an incredible linguistic barrier by deftly doing mental translations from American to Queen's English. With no apologies to Gilbert & Sullivan, she is the very model of a modern ministry commission chair!

Already a member of the Commission, the Rev'd Dr James H Warnock, from Gethsemane, Marion, will become the chair in January 2012. He brings pastoral sensitivity and leadership, as well as academic acumen and accomplishment, to the chairman's task. Father Warnock's service to the Church has included terms on the Standing Committee of the Diocese, General Convention Deputy, and work at the international level in reconciliation dialogues and ministries.

Three of my other colleagues in this work are the Rev'd Theodore P Neidlinger (Saint Andrew, Kokomo), the Venerable D George Douglass (Saint Mark's, Howe), and the Rev'd William G Forrest OSB (Saint Gregory's Abbey, Three Rivers MI). Father Ted has been overseeing the Formation Group for postulants and candidates in our local ordination training program for the past nine years. Archdeacon George provides a valuable and demonstrable resource to them in his diaconal ministry. Father William serves as spiritual guide and instructor for the members of the Formation Group. All of those who have been through the local training program can attest to the mentoring, encouragement, and friendship that these three offer in postulancy, candidacy, and beyond.

The Diocesan Board of Examining Chaplains includes the Rev'ds Anthony FM Clavier, Michael Cover, John E Schramm, and James H Warnock. They bring the benefits of sound learning and considerable teaching talents to the important work of designing, administering, and evaluating the diocesan canonical examinations which are given to candidates in the local formation program. They also read and evaluate the General Ordination Examination (GOE) which our seniors in seminary take.

At this writing the following individuals are in the ordination process:

*Aspirants*

Diaconate                      Joshua Molnar (Gethsemane, Marion)

*Candidates*

Priesthood                      Terri Bays (Trinity, Michigan City)  
   Michael Dwyer (St Christopher's, Crown Point)  
   Dustin Fecht (Gethsemane, Marion)  
   Michelle Walker (St Andrew's, Michigan City)

There are others who are considering entering the formal discernment process. We are thankful that God is raising up vocations for the diaconate and priesthood in our Diocese. Please continue to pray for these people and for others who would answer the Lord's call to serve the Church and the world in diaconal and presbyteral ministries.

We customize the formation of each postulant. At present, we have two candidates who are seniors at divinity schools (Berkeley / Yale and Duke). The rest are in our local formation program.

The Northern Indiana School of Theology (NI SoT) is the local formation program. Nine of our postulants and candidates are 'enrolled' in NI SoT. The academic work is a three year course of study which includes correspondence-style courses and three weekend colloquies each academic year. We are fortunate to have some very good teachers with various connections to the Diocese. They have graciously committed to offering presentations during these weekends.

We are grateful for their contributions to our program of formation. There is also a basic bibliography which serves as the reading list for our candidates in local formation. This bibliography serves as the basis for the canonical examination which must be passed before ordination.

Some of the NI SoT postulants and candidates have chosen to seek degrees in nearby institutions like Notre Dame, Chicago Theological Institute, and Nashotah House. So, they have a combined program.

We have a strong commitment to the complete formation of our postulants and candidates for ordained ministry. We seek to nurture their spiritual lives and liturgical training, academic and intellectual pursuits, and practical skills for pastoral ministry. It is our hope that our candidates, whether away in seminary or in local formation, develop a keen desire to continue their theological educations with both reading projects and institutional course work, in order to continue the Anglican tradition of a learned clergy.

The harvest is plentiful, Jesus said. We are well aware that there is much work to be done for the sake of the Gospel of Jesus Christ and the holy Church. Please continue to pray for vocations.

Faithfully submitted,

The Rev'd Henry G Randolph Jr

### Diocesan Convention 2011

Winter Retreat - We began this year with our Winter Retreat, "Building Christian Friendships" held at the Wawasee Retreat Center January 14-16. We had 34 youth and 9 adults who attended this retreat. Our Youth Design Team gave the talks and led discussions during the weekend. On Friday evening Danielle Martindale led our first session about "Making Friends". On Saturday morning Jesse Grantz spoke to us about "Welcoming a Friend". The afternoon sessions were led by Robert Frede who spoke with us about "Understanding your Friend" followed by Megan Spice who shared with us about "Walking beside a Friend". The evening session was led by Michalina Badur who spoke to us about "Helping a Friend". The Youth Leadership Design Team did a wonderful job sharing how to bring Christ into our friendships. We also had 9 adults in attendance for the weekend. Thank you to Tom Adamson, Fr. Larry Biller, Fr. Dan Layden, Polly Gabbett, Cindy Spice, Aubree Schenkel, Lisa Rodenberg, Shawn Bianchini and myself. Saturday evening we shared together a most powerful healing service during Compline. I walked away with the feeling that "Surely the Presence of the Lord was in that place."

The expenses for the weekend were as follows: The cost of the Wawasee Retreat Center was covered by a generous gift. The amount collected from the youth for the weekend was \$620.00. After covering the expenses for the weekend of \$1038.72, the amount used from the Diocesan Youth Budget was \$202.42 for the retreat.

Episcopal Youth Event - June 26-30 was the Episcopal Youth Event held at Bethel University in St. Paul/Minneapolis, Minnesota. The Diocese of Northern Indiana was represented by 9 youth, Michalina Badur, Megan Spice, Robert Frede, Jesse Grantz, Thaddeus Grantz, Katie Fischbach, Will Petro, Chase Gibson and Brittany Wilson. The adult chaperones were Fr. Larry Biller, Dean Brian Grantz and myself. Bishop Little was able to join us for a couple of the days while we were there. The theme for the Episcopal Youth Event was "Come Together". EYE is a Leadership Conference for youth who have completed 9<sup>th</sup> – 12<sup>th</sup> grade. We traveled by 15 passenger van contracted through C & C Coach Xpress, Inc. Each of the youth was responsible to cover the cost of EYE through fund raising in their own parish and covering the remaining balances for themselves. The cost for travel expenses, meals to and from along with cost for the adult chaperones was covered by funding in the Diocesan Youth Budget. The Diocesan Budget for EYE was \$5000.00. The amount spent from the Diocesan Youth Budget for the Episcopal Youth Event was \$3337.65

**Sr. High Camp** - Sr. High Camp was held July 24-30 at Camp Alexander Mack in Milford, IN. Sr. High Camp had 30 youth in attendance along with 10 adults. Our theme for the week was "A Journey with Christ". Our program was led throughout the week by several clergy. **Monday** – Daily Theme: Creation Story "Where we started & why" we had Fr. The last day, **Friday** – Daily Theme: "Where do we go from here?" Shawn Bianchini was our program speaker and on Friday evening Fr. Larry Biller celebrated Eucharist. We had 10 adults on staff along with 6 adults who came to camp for an evening shift. Those people stayed up through the night and are known as our "Shepherds, keeping watch over our flock". Adults were, Tom Adamson, Fr. Larry Biller, Steve Richards, Shawn Bianchini, Daniel Kallenberg, Cindy Spice, Cynthia Burns, Bobbie Shelby, Molly Lewis, Lisa Philippsen and myself. Shepherds were Butch Schapson, Tim Gray, Diana Creech, Cathy Carter, Katy White and Kirk Philippsen.

To keep the costs down for Sr. High Camp, I have gotten many things donated. A majority of the Arts and Crafts supplies were donated this year. We did Mosaic Tile circles along with a Wrought Iron Table that was crafted by Steve Shelby. The

table was given as a gift to Camp Alexander Mack for their new John Kline Welcome Center. The tiles for the project were mostly donated from Brower's Carpet and Furniture in Warsaw. Our snacks for the evenings were provided by The Cathedral of St. James – South Bend, St. Anne's – Warsaw, St. Michael and All Angels - South Bend, St. James - Goshen and All Saints - Syracuse. Thank you to every person and parish that make camp a possibility for our young people. The budget allowed \$4000.00 for camp along with the amount collected from campers \$9580.00 which totals \$13,580.00. The total cost for Sr. High Camp was \$11,372.46 leaving \$2,207.54 as an unused budget amount.

It is due to many generous donations given by individuals and parishes that keep the costs down for campers and enabling our budget to be in the black. So thank you to everyone who supports and holds the Diocesan Youth Ministry for Northern Indiana up in prayer and through your generosity.

Respectfully Submitted,

Carol Bianchini

**Report to the Diocese of Northern Indiana**  
**St. Margaret's House**  
**September 2011**

The mission of St. Margaret's House (SMH) is to empower women who struggle with poverty to make transformational changes so as to improve the quality of their lives for themselves, their children and the community.

Founded by and working in partnership with the Cathedral Church of St. James and the Diocese of Northern Indiana, St. Margaret's House is day center for women and children committed to the value of hospitality as expressed in these words: *"I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me..."* (Mt. 25:35-36). St. Margaret's House improves the lives of women and children by responding to immediate needs and by helping guests (clients) acquire skills and long-term solutions to improve their lives. SMH provides specific individualized attention in the context of a supportive community.

On August 31, 2011, St. Margaret's House was awarded the Leighton Award for Nonprofit Excellence given by the Community Foundation of St. Joseph County. This is a wonderful award of a \$10,000 grant as well as a \$100,000 challenge endowment grant. So, we will be working hard over the next year to raise that \$100,000 so as to get the match. This is an award for excellence that we share with the parish family of the Cathedral of St. James and members of the Diocese of Northern Indiana. It is the vision, generosity, hard work and commitment of this faith community that helped us to reach this point. We are grateful to all who have supported this work over the last 21 years.

In 2011, we are serving an average of 80 women and children a day. We expect to give out over 40,000 pieces of clothing and small household items and 2400 sets of toiletries in 2011. This summer, we helped children prepare to go back to school by partnering with local groups to provide basic school supplies to 275 children, school uniform help for 225 children, basic eye exams for 30 children, access to a mobile dental clinic and back to school haircuts. We participated in the Department of Education summer nutrition program and served 1450 meals to children during the summer months. In 2010, volunteers worked 10,746 hours valued by Independent Sector at \$214,122.

### **Programs and Services**

St. Margaret's House programs are designed to help women to acquire the tools they need to make concrete, transformational changes in their lives. The programs we provide include:

#### **Crisis intervention**

- Hot nutritious lunch and a light breakfast. 22,400 meals were served in 2010. Much more than a nutritional program, the noon meal also fosters a sense of support and inclusion in a community. Both the body and spirit are fed. Each day St. Margaret's House prepares a continental breakfast and a hot, nutritious meal meant to be the main (and for some the only) meal of the day. Before the noon meal, everyone gathers and newcomers are introduced by name, welcomed and applauded. Victories as well as burdens are shared. Announcements are made. Volunteers prepare the meal and guests set the tables, help deliver meals to the children and do the dishes.
- Access to clothes, toiletries, showers, telephones, computers and laundry facilities.

#### **Individual self-empowerment programs**

- *Silk Creations: an art, education and empowerment program.*
- *Fashioning Our Lives: a 12-week life skills workshop.*
- Confidence and skills workshops: writing, poetry, book clubs, and Zumba instruction.

### **Financial solvency and economic stability**

- St. Margaret's House holds a 45-hour seminars utilizing the workbook *Getting Ahead in a Just-Getting-by World, Building Your Resources for a Better Life* as part of the Bridges Out of Poverty Initiative.

*"Luanne" suffered from depression and had not worked for over ten years. After finishing the Getting Ahead Seminar, she realized her talents and options and found a job. Three years later, she is still working, rents her own apartment, and drives her own car. When asked about her depression, she says, "Yea, I don't have that anymore, poverty is depressing."*

- On-site individualized budget, credit and banking counseling.
- Steps for Success program teaches resume writing, interviewing skills, hidden rules of the workplace, dress for success and financial literacy.

### **Health programs**

- Crisis and short-term counseling at no cost.
- A weekly sobriety group entitled "Lean on Me." 8 to 12 women regularly attend.
- Professionals from area hospitals and colleges conduct classes in first aid, breast cancer detection, asthma and diabetes education, nutrition, smoking cessation and AIDS prevention. They also provide on-site flu shots, blood pressure and sugar monitoring, dental work (mobile unit for children) and primary health care provider information.

### **Education programs**

- St. Margaret's House provides GED pretesting, tutoring and information about GED prep courses. SMH provides three computers with internet access for the exclusive use of SMH guests.

*"Holly", a 45-yr-old St. Margaret's House guest was frustrated that her children were choosing to drop out of school. After participating in the Getting Ahead seminar of the Bridges Out of Poverty program at SMH, she decided to obtain her GED to inspire her children. She has attended classes for one year and is taking her GED test at the end of the month. Her son who was going to drop out, graduated from Washington High School in June.*

- SMH helps pay for GED testing and celebrates every graduation.

### **Programs that treat the whole person**

- St. Margaret's House offers a weekly Open Art Studio led by the SMH art director.
- SMH offers a weekly non-denominational spirituality discussion group.

**Parenting program:** A Child's Place in the Family: There are six courses focusing on children from birth through adult. Each course consists of six two-hour sessions.

- Part 1, A Child's Place in the Family focuses on basic parenting knowledge of child development, active listening, stress reduction and using discipline to teach rather than punish.
- Part 2, A Child's Place in the Family Challenges and Opportunities, parenting two through twelve year olds. Active listening is reviewed and the principles of positive

- Part 3, Parenting Teens explores the challenges of raising teens.
- Part 4, Building Self-Esteem in Your Child helps mothers encourage and help their children to discover their best and strongest selves.
- Part 5, Parenting from the Inside Out explores how the past experiences of the mother affects the way she now parents and helps her to be more conscious about the way she treats her child. Mothers learn to understand triggers that cause them to react harshly to their children by using Heart Math, a biofeedback technique that helps them to calm themselves and relieve their stress.
- Part 6: Talk with Your Baby helps mothers talk intentionally to infants to spur brain development.

*“Mary” began attending our parenting classes to support her sister. However, she began to realize that her parenting techniques could be considered abusive. She went to each of her adult children and asked forgiveness. She dedicated herself to raising her grandson differently and to mentoring her children so as to break the cycle of abuse that had lasted in her family for generations.*

#### **New in 2011**

- St. Margaret’s House received a grant to make renovations to the 3<sup>rd</sup> floor and basement. We installed a new heating and air-conditioning system on the 3<sup>rd</sup> floor so that the St. James youth center area and the St. Margaret’s House program area have adequate and independent units. We have renovated the SMH space to create an art studio to house our Silk Creations empowerment program, our in-kind donation distribution center and a small office. In the basement, we installed some new lighting, a heater and a telephone. A portion of the basement is being used as our in-kind donation sorting center.
- With the help of a grant from an anonymous foundation, we were able to hire our long time art director as a regular, part-time employee. She will continue to direct an expanded version of our Silk Creations empowerment program. Silk Creations helps women to discover their gifts and talents and gives them tools to develop skills that will enable them to succeed in the workplace. It is an empowerment program that teaches women in poverty the process of painting on silk, creating one-of-a-kind hand painted pieces of art in the form of scarves, ties and cards to be sold to the public. Through this program, women learn the rules of the workplace and gain skills in decision-making, marketing, financial literacy, maintaining inventory and working as a team. They earn money through their work, gain confidence in themselves and learn to define themselves as artists and entrepreneurs.
- In March, we renovated our stairwell by installing safe and attractive tile on the landings and runners over the cement stairs.
- Our Assistant Director, Patricia Marvel, LCMC attained her license as a Clinical Addictions Counselor.

#### **Dates to Remember:**

- November 15, 2011, 11:30-1:00 Fashioning Our Lives luncheon and talent show. Hilton Garden Inn, Campus of Saint Mary’s College.
- Winter Walk 2012, February 19, 2012

## **Social Outreach Committee Annual Report – 2011**

The primary responsibility of the Diocesan Social Outreach Committee is to receive, evaluate, and respond to requests for funds from parishes within the diocese. A grant application form is posted on the diocesan website. A secondary task of the Committee is to make recommendation to the Diocesan Council of possible recipients for the money set aside by the diocese to help achieve the U. N. Millennium Development Goals.

Our Committee met with Bishop Little on February 12, 2011. We reviewed the outreach grants approved during 2010 and the responses received. The bishop shared some reflections about the work of the Committee and his appreciation of the projects to help the needy undertaken by several of the parishes in the diocese. He also told us about the effort throughout the Episcopal church to raise funds to rebuild the cathedral in Haiti which was destroyed by the earthquake in January of 2010.

The Millennium Development Funds dispersed in 2010 totaled \$4,066.15: \$1,212 to our Companion Diocese of Honduras; \$1,426.72 to the Anglican Diocese of Eldoret, Kenya; and \$1,26.72 to Episcopal Relief and Development earmarked for disaster relief in Haiti. We received an extensive report from Tim Skimina on behalf of Companeros en Cristo about the use of funds in Honduras. The Diocese of Eldoret did not send us a report this year, and Episcopal Relief and Development does not respond to individual donors since use of funds received is posted on their website. We did receive a belated response from the Bishop Masereka Christian Foundation regarding the funds sent to them in 2009, indicating that our diocese's assistance had helped pay the salary of one of the nurses in the Foundation's medical clinic.

We discussed four possible recipients for the 2011 MDG funds: our Companion Diocese of Honduras; the Anglican Diocese of Eldoret, Kenya; Haiti; and the Bishop Masereka Foundation which sponsors an orphanage for children whose parents have died of AIDS and a clinic in Uganda. The situation in Kenya has improved, and our diocese will be participating in a fundraiser this year to help the Diocese of Haiti rebuild the cathedral there. With these considerations, our recommendation to Diocesan Council was to divide the funds equally between our Companion Diocese of Honduras and the Bishop Masereka Foundation.

One of our Committee members, Dr. Timothy Malchow, is now on a two-year assignment in Germany and will be unable to continue to serve with us. Bishop Little and the other Committee members present expressed our gratitude for Tim's presence on the Committee these past two years and wished him God's blessings in his new assignment.

As of this writing, there has only been one request for Social Outreach Funds thus far in

2011, a grant request for \$2,000 from Camp New Happenings to help fund the week-long summer camp for boys and girls (ages 8-11) who have a parent incarcerated in a state and/or federal prison. This leaves \$4,000 still available for ministries within the diocese that fit within the parameters of helping those in need which our Lord articulated in **Matthew 25:35, 36: "I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was in prison and you visited me."**

# Diocesan Summer Camp 2011

## Report for Diocesan Convention

Respectfully Submitted by Tamisyn Grantz, Kim Gray, and Tim Gray  
Co-Camp Directors, Cathedral of St. James

Summer camp ministry continues to be a dynamic ministry **TO** our diocese.

- \* In the past five years, camp ministry has reached over 350 individuals, and 80% of campers and staff have returned for more than one year.
- \* In 2011, camp ministry welcomed twenty-three 1<sup>st</sup> time participants.

Summer camp ministry continues to be a dynamic ministry **OF** our diocese.

- \* An average of 10% of all campers come from other church communities or are not connected with a church.
- \* Campers are given opportunities to participate in leadership opportunities at camp, often come back as camp staff members, and return to their churches and communities to participate as leaders in other activities.

### **In The Land of Giants**

“For mortals it is impossible, but for God, all things are possible.”

Matthew 19:26

Besides daily camp activities of swimming, boating, crafts, field games, worship, and general merriment, each camper (grades third through ninth) spends time learning about God’s love for us within a daily theme. This year’s theme (crafted throughout the year by a design team that met monthly) was created to teach campers about God’s majesty...through giants of the faith and giant adventures. God remains the giant behind the scenes (and sometimes not quite so behind the scenes) that graces our giant faith and giant community. Daily Themes for the week were:

**Giant Faith (David and Goliath)**

**Giant Trust (Jonah and the Whale)**

**Giant Forgiveness (Jacob and Esau)**

**Giant Joy (Prodigal Son)**

**Giant Love (Feeding of the Multitude)**

**You are a part of something GIANT!**

Our response to God’s GIANT LOVE is our Christian mission.

We are called to change the world.

**Summer Camp continues to be successful in large part because of the people who volunteer throughout the diocese and beyond. Thank you for the many ways you support your campers prayerfully through your time, talent, and treasure!**

### **Recommendations for Action 2012**

- Camp promotion and publications through mail, the diocesan website, and other social media continue to be a successful way to maintain a vibrant camp community. Parish visits are directly responsible for new campers.
- Due to possible diocesan budget constraints in the future, conversations have started around ideas for fundraising.
- Suggestions have been made to inquire what other churches in our area are doing for summer camp and might there be room to do some direct invitations, making camp a more intentional ecumenical ministry.
