

CAMP NEW HAPPENINGS NORTHERN INDIANA

Sponsored By
The Episcopal Diocese of Northern Indiana

PRIVACY POLICY

Camp New Happenings Northern Indiana, through registration and medical forms, collects personal contact information, age, medical histories, medication listings and, as necessary, information on learning and behavioral characteristics, social skills, personal hygiene and discipline plans.

All information is used to place campers in the proper age-appropriate program and to assist in their health and well being while in our care. Information is kept in confidence, being shared with appropriate staff on a "need to know" basis. Information is never sold and is released to third parties only if required by law or in the course of medical examination or treatment

Personal information is retained in our camp files for legal purposes and to contact campers about future camps.

Copies of camper information are available upon written request from parent/guardian legally empowered to request such information.

Photos of campers may be used in printed materials and on our web site for the purpose of publicizing our Camp program. Personal information about campers will not be attached to any individual or group photos.

I UNDERSTAND AND ACCEPT THE ABOVE STATEMENT:

Camper's Name _____

Parent/Guardian's Signature _____

Date _____
